

**How to prepare For CA Intermediate In 10 Month After clearing CA Foundation Exam**

**How to Prepare for CA Intermediate in 10 Months**

## **1 Plan Your 10-Month Schedule Wisely**

### **☐ Months 1-6: Build Strong Concepts**

- **Focus on learning 2 subjects at a time — ideally one theory + one practical subject.**
- **Complete ICAI study material and make short notes for revision.**

## ☐ Months 7-8: First Full Revision

- Revise all subjects once.
- Solve ICAI RTPs, MTPs, past papers.
- Identify and strengthen weak areas.

## ☐ Month 9: Second Revision + Test Practice

- Attempt full syllabus mock tests under exam conditions.
- Focus on presentation, working notes, and time management.

## ☐ Month 10: Final Quick Revision

- Use summary notes and charts.
  - Brush up on amendments (especially for Tax, Law, Audit).
  - Do selective practice of tricky areas.
- 

## 2 Prioritize ICAI Material

- Stick to ICAI study modules — they are the gold standard.
  - Attempt ICAI mock tests, RTPs, and MTPs regularly.
- 

## 3 Improve Writing & Presentation

- In theory subjects, quote sections, standards, and cases.
  - In practical subjects, always add working notes.
- 

## 4 Stay Disciplined and Healthy

- Set weekly targets and track them.

- **Take breaks, sleep well, and avoid burnout.**
  - **Stay updated on ICAI announcements for amendments.**
- 

#### **□ Final Tips**

- **Join a test series in the last 3 months.**
  - **Revise short notes / formula charts daily in the last month.**
  - **Believe in your preparation — confidence matters as much as hard work!**
